

MAGRAID FAMILY TOUR EXTENDED THE SILENCE IN THE MAGREDI: LIVING IN THE STEPPE PORDENONE 17 – 18 GIUGNO 2017

In the endless spaces of the gravelly river beds of Cellina and Meduna Rivers, silence speaks more than any other noise and the apparent empty space of the Magredi landscapes tells more than anything else about the greatness of a free, pure and moving Nature..

Saturday 17th june 2017: Pordenone and Spilimbergo

Arrival in Pordenone in the course of the day. Hotel accommodation. In the afternoon guided tour to School of Mosaic of Spilimbergo. After dinner welcome cocktail, and showing of the video Geo & Geo "Magredi terre magre". Overnight stay.

Sunday 18th june 2017: Magredi by coach

After breakfast, we will discover the Magredi. We will reach the Base Camp of the race "Magredi 100 km in the Steppe" in Parareit – Municipality of Cordenons – by their own means of transport (transfer possible on request). From this point on, our adventurous coach-trip will start. Driving along dirty roads for about 6 km, we will reach the Magredi biotype near San Quirino. We will walk with a nature guide "diving" into the plant life and

watching animals in the surrounding environment, which has been declared a SCI (Site of Community Importance – www.magraid.it). We will go deep into the Magredi and, side by side with the runners, we will go back to the Base Camp for lunch time. Wine tasting on site with local products grown in the "Grave" (Magredi) Return to the starting place admiring the Friulian Dolomites which have been declared a Unesco World Heritage Site.
